The International School of Indiana is an independent school serving 600 students from three-years-old through grade 12. With educators from over 20 countries, we bring diversity to the city and help attract foreign companies and knowledge workers to the region. We specialize in teaching a rigorous college-preparatory program in English, French and Spanish. Our pre-school and elementary school offer Spanish or French immersion. Our Middle School works in both English and the immersion language. Our High School works in English and all students take the full International Baccalaureate Diploma program.

We are looking for ambitious and enthusiastic teachers interested in joining our international and innovative school. Future plans include extending the International Baccalaureate programs throughout the school.

Elementary English teacher (full-time)

**Job Description**

The successful applicant is a native/fluent English speaker certified to teach elementary grades in her/his home country or in the U.S. Training in or familiarity with the International Baccalaureate's Primary Years Program is a plus. The teacher would be responsible for a self-contained classroom of students in a 50-50 language setting, where students spend half the day studying in French or Spanish, and the other half of the day studying in English. The applicant must be familiar with the full complement of content area subjects (e.g., language arts, social studies, science, etc.) as the setting mimics a self-contained classroom.

**Requirements**

- Native/fluent English speaker
- Certified to teach elementary school (in the U.S. or in the home country)
- At least 2 years of experience teaching elementary students preferred
- Familiarity with International Baccalaureate Primary Years Program is a plus
- Passion for teaching
- Sense of humor
